Sarah – I understand that we need to have your written approval to have the Bristol Bay proposed withdrawal notice published in the FR. I understand that you are familiar with this process but there are a few more details below if you need it.

Thanks.

Subject: Federal Register Notice - Can you Email Sarah Greenwalt?

Hi Carrie –

James (cc'd here) is helping us get the FRN published in the federal register ASAP. Based on a form I filled out, we discussed the level of political level signoff for this. I forwarded him Justin's email re the FRN and told him that based on a conversation with you, Sarah Greenwalt had signed off as well. I also indicated (and forwarded to him) the email chain that shows that the tribal letters were with Ryan Jackson and were signed by the Administrator.

He asked if you can email Sarah Greenwalt to get her confirmation in writing re approval of the FRN. James says that Sarah should be familiar with doing this.

Thank you!!

Ashley
